Community of Hearts

You are a Mental Health Advocate!

This certificate is awarded to

Kainoa Kukahiko

For completing the online program

Mental Health Advocate Training

I pledge to be a mental health advocate in my community. I recognize the impact of mental health on individuals and communities, and I commit to these actions as part of my role as a mental health advocate. Together one heart at a time, we can build a world where mental health is understood, accepted, and supported.

MENTAL HEALTH ADVOCATE TRAINING
